

## Arlington Landfill Facility Rules

---

The following rules and procedures must be followed by all vehicles that enter the Arlington landfill. These rules are in place to provide a safe and efficient environment for our employees and our customers.

- All vehicles enter the landfill at their own risk
- Only the driver is allowed to exit the vehicle during unloading operations at the working face. **Every person is required to wear PPE** (Hard hat, safety vest, safety glasses, gloves, safety boots, long pants)
- Vehicles using the convenience center, please follow the signs and the directions of the spotter. He is there to insure your safety
- No Minors allowed outside the vehicle
- All vehicles transporting materials to the ARL are subject to vehicle inspection and weigh check
- All loads entering the ARL **must be completely and securely covered** / all openings secured to prevent the escape of any material. No debris on top, sides or either end of the vehicle. (uncovered load will be assessed a fee)
- All coverings shall remain in place and secure until at the unloading areas. (special waste and industrial loads may be examined or asked to remove tarps on the scales for inspection)
- **Speed limit in the landfill is 15 MPH Maximum** (radar enforced). Please obey all traffic signs. As a City owned facility all paved roads are considered City streets and subject to citations issued by enforcement personnel.
- All traffic shall weigh in at the scale complex. Your vehicle will be scanned by radiation detectors. If anything is detected please **follow the direction of site personnel**.
- Drivers must unload at spots identified by working face personnel, follow the posted separation distances between trucks when backing into your spot
- If directed to unload in a separate area for random load inspection, do not leave the inspection area until directed to do so by the site personnel
- Any unacceptable waste will be reloaded into the vehicle and removed from ARL
- Do not leave the unloading area until visually confirming the vehicle is completely empty, doors closed, secured and covered.
- There will be no horseplay, fighting or verbal attacks allowed at the ARL. **Report any issues to the site management.**
